

# DOCTORATE

IN MUSIC EDUCATION

## UNLOCK YOUR POTENTIAL

Are you ready to take your passion for music education to the next level? The University of Miami's Frost School of Music presents an exceptional opportunity for music teachers like you to embark on a transformative journey through our Ph.D. in Music Education. Our program is designed for people who aspire to be music education researchers, music teacher educators, and leaders in the field. We seek individuals with a strong music background, successful music teaching experience, and interest in scholarly pursuits.

## BUILD YOURSELF AT FROST

We believe in empowering you to be a trailblazer in the field, preparing the next generation of music teachers while advancing knowledge in music education. Our highly customizable curriculum builds upon your interests and the diverse strengths within the department and throughout the school.

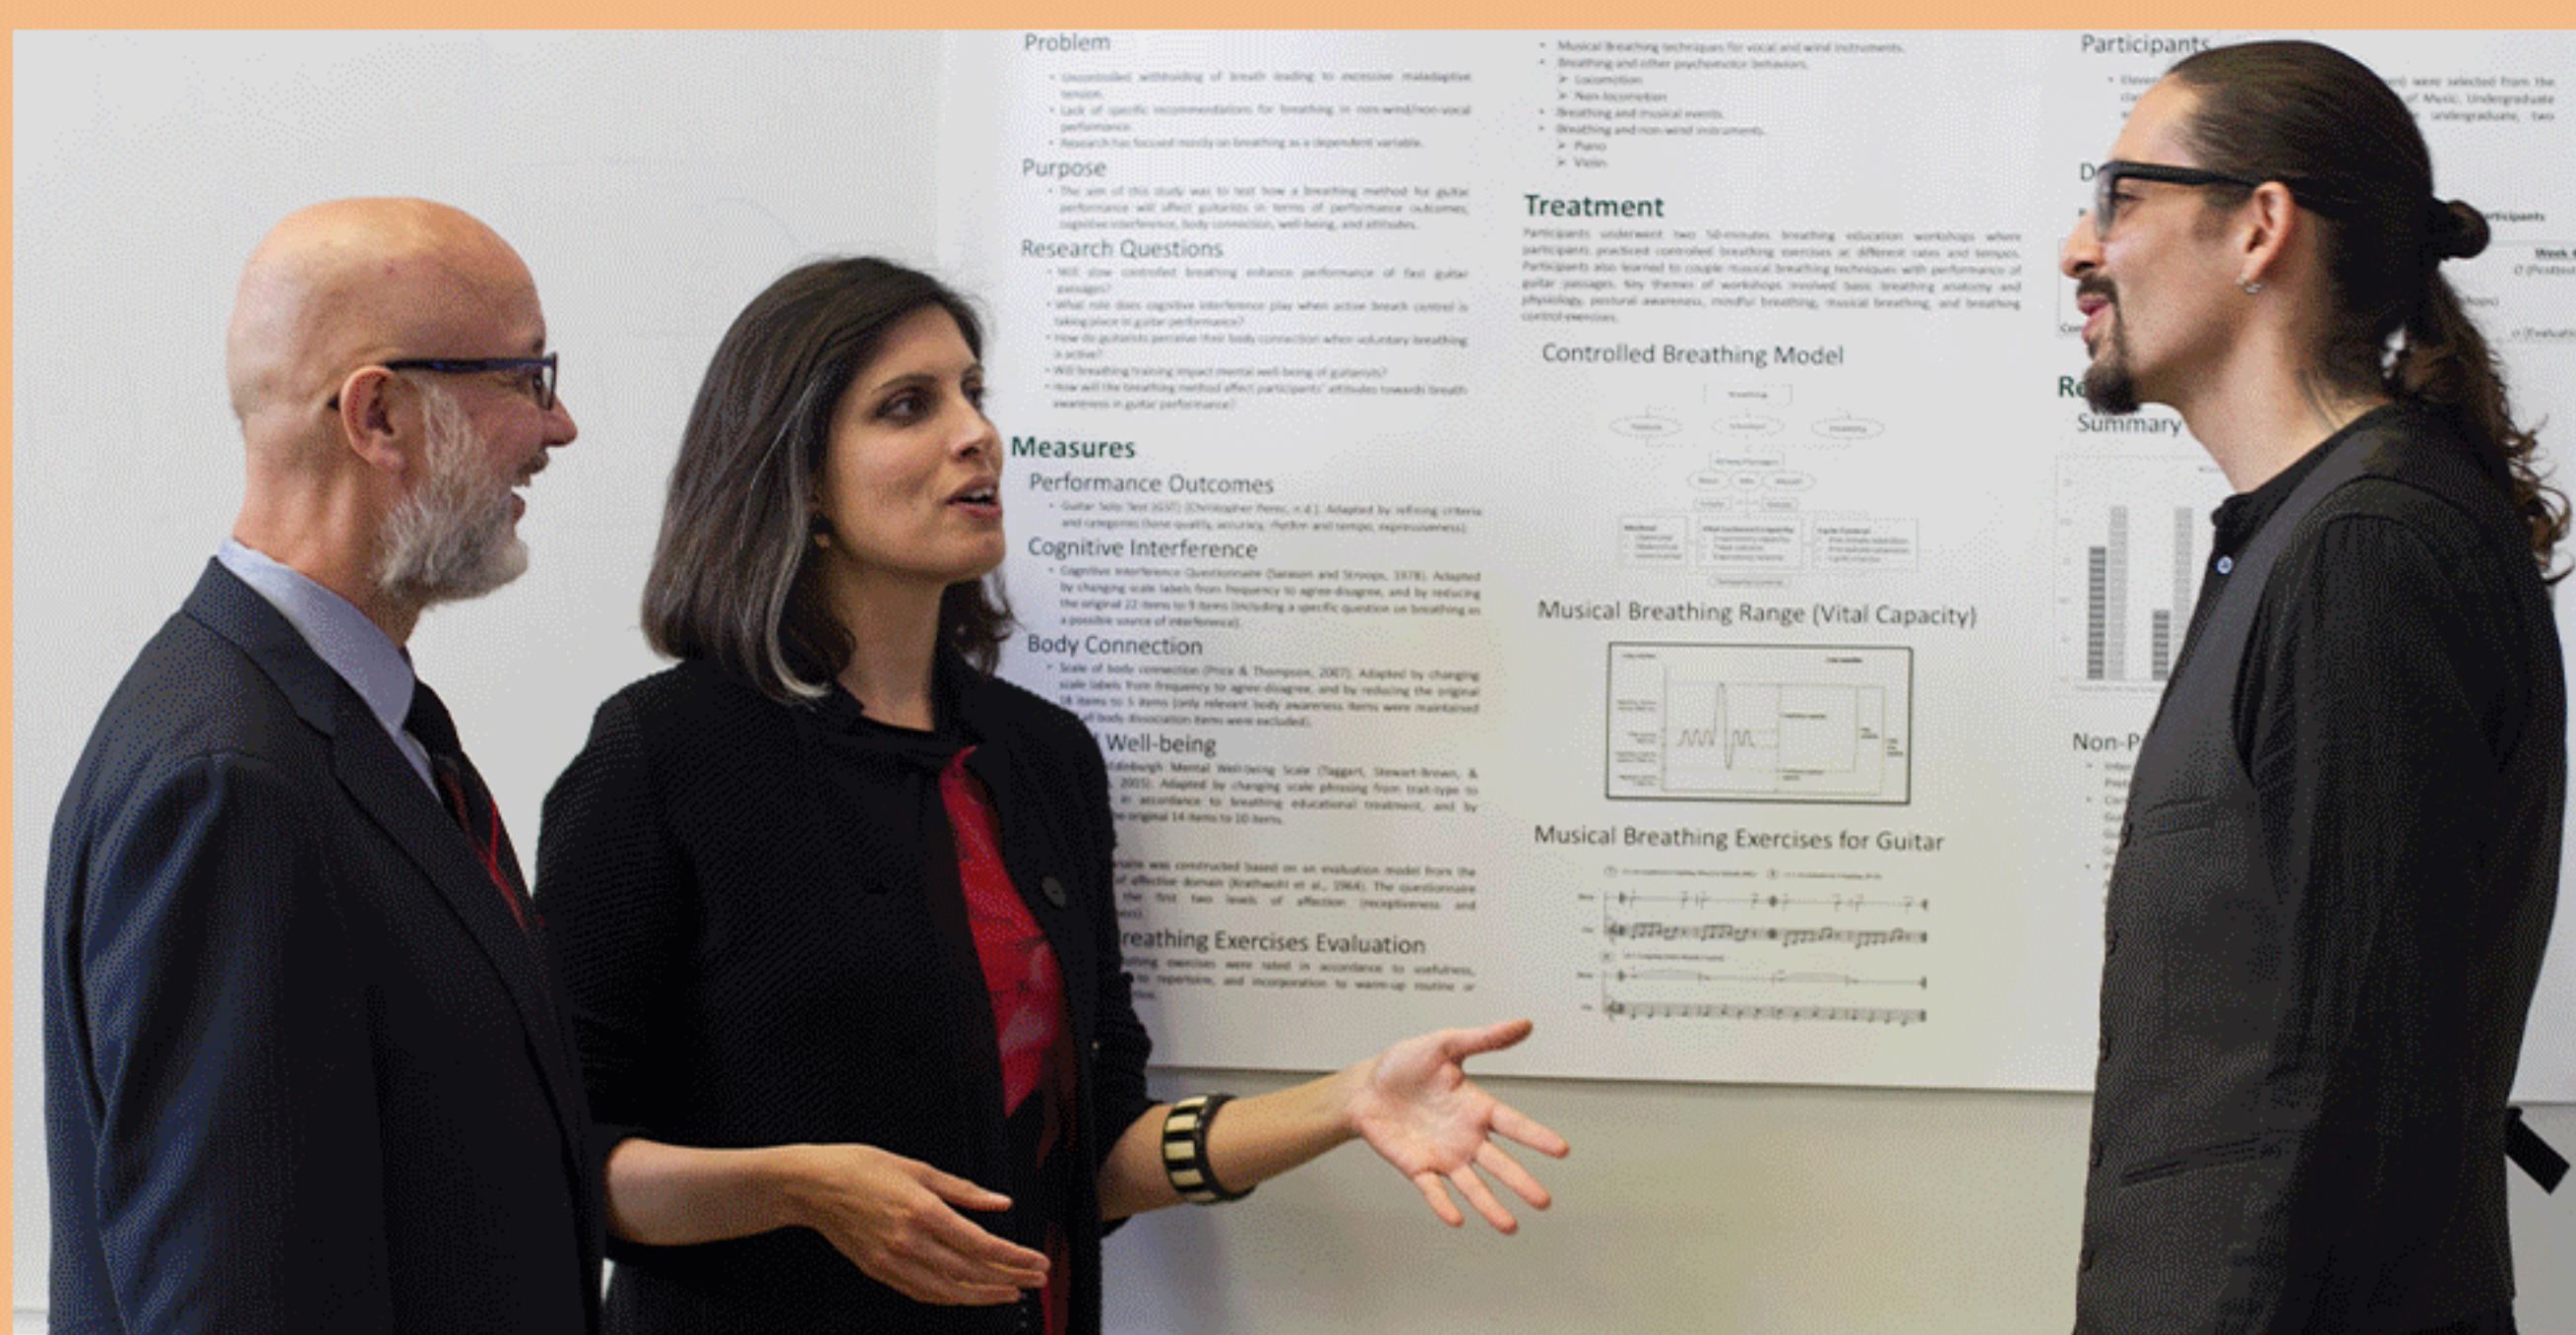

### OUR PROGRAM EXPERTISE SPANS A WIDE ARRAY OF TOPICS IN THE FIELD INCLUDING:

- Community music
- Cultural diversity
- Popular music pedagogy
- Music education policy
- Research methods
- Social-psychology of learning
- Special education

## MENTORED BY THE BEST

Work closely with renowned faculty who are trailblazers in scholarship, pedagogy, and music education leadership. Their achievements and leadership span from publications in books and esteemed journals, presentations at conferences around the world, and service on national committees and editorial boards.

Besides the world-class education and mentorship, you'll have the opportunity to experience Miami's vibrant multicultural community.

**WE OFFER TEACHING ASSISTANSHIPS FOR HIGHLY QUALIFIED APPLICANTS.**

## YOUR SUCCESS, OUR PRIDE

Alumni are leaders in the field who serve in music education leadership posts, present at conferences, publish, and teach music in institutions of higher learning around the world.

*"My education at the University of Miami was life-changing. The curriculum was both comprehensive and tailored to individuals. I had strong support and felt that the faculty always cared about my personal goals."*

**-Dr. Kelly A. Parkes, Professor,**  
University of Colorado Boulder  
(Ph.D., 2006)

*"The faculty's exceptional mentorship encouraged me to explore my own niche ideas, challenge norms, and employ diverse research paradigms. Frost's interdisciplinary approach gave me the tools and connections to be successful and work with incredible innovators in music education."*

**-Dr. Candice Mattio,**  
Assistant Professor,  
University of Southern California  
(Ph.D. 2016)
